MARKING OF UNIFORM

We are well aware that school uniform costs money and it is our endeavour to make sure that girls do not lose track of their property in school. The careful and clear marking of your daughter's property helps you and us to achieve this aim, and in order to discourage borrowing which leads to confusion, losses and annoyance to staff and parents, you are asked to make sure that all clothing and property is marked clearly with the owner's name. For PE, items should be marked as follows:

Leotard - left front shoulder.

White aertex shirt - left front shoulder.

Football or cycle Shorts - bottom left corner.

Tracksuit bottoms - top left leg.

Trainers - the owner's name in full should be written inside and initials anywhere on the outside.

The PE sweatshirt will be embroidered with the owner's name. All other articles must be clearly marked with the owner's name on name tapes which are available from the school.

NOTE: We are very proud of the school's uniform and expect the highest standards from the girls and we expect that all parents, having chosen a school which has uniform, will support us at all times in this matter. The girls are required to wear regulation uniform when in school and on the journey to and from school. If for any reason your daughter is unable to wear any item of her school uniform, she must bring a note to her form tutor to explain the reason and if there is a suitable article in the second-hand uniform cupboard, we will loan her an article for a day or two.
