IMPORTANT INFORMATION

- Please complete the form overleaf and continue on additional sheets if required.
- Any documents that will form part of your appeal should be submitted with your appeal form by the deadline date, 7th May 2020. **Supporting information/documentary evidence should be provided if you are appealing on medical or social grounds.**
- On receipt of your appeal form the Clerk to the Appeals Panel will advise you in writing of the date and time of your appeal. **Any outstanding documents in support of your appeal should be submitted to the Clerk as early as possible, and at least 6 school days, before your appeal date. They will be copied and distributed to Panel members and the school's representative who will read the documents in advance of the hearing.** If such documentary information is presented only at the time of your appeal and covers substantial new issues, an adjournment of the hearing might be necessary.
- Parents/Guardians are encouraged to attend the appeal hearing, but if you are unable to do so the Appeals Panel can hear the appeal in your absence based on the information detailed in your appeal form and any supporting documents submitted. If you are unable to attend please advise the Clerk to the Appeals Panel.
- Parents/Guardians can, if they wish, bring a friend to the appeal. If you intend to be accompanied by a friend, adviser, or legal representative, you should let the Clerk to the Appeals Panel in advance of your appeal hearing. This is to ensure that each appeal is conducted impartially, and, that suitable accommodation is provided.
- The Appeals Panel will not make a decision on your appeal until both you and the school's representatives have left the hearing and all the appeals for the School have been heard. This is to allow them time and space to deliberate. The Clerk to the Independent Admission Appeals Panel will send the written decision as soon as possible or no later than five school days (unless there is good reason) after the Panel has made its decision.

Please note:

Once the Panel has reached its decision on an appeal it will not be possible for the decision to be reversed if additional information/documents are submitted by a Parent/Guardian at a later date. The decision of the Appeals Panel will be binding on both you and the admissions authority.
